The Efficient City: LMRID supports the functions of the City through the delivery of coordinated top-up municipal services and communicates with the various line departments which facilitates streamlined communication and service delivery with the City.

14 FINANCIAL IMPACT OF THE CID

- 14.1 Funding of the CID
In line with the City's Special Rating Areas Policy (SRA Policy), the LMRID management annually prepares an overall budget for the year based on the specific needs of the area as set out in the Business Plan. The budget is funded by the property owners through an additional property rate levied on the municipal valuation of all properties within the LMRID boundary. Additional property rates attract VAT @ 15%.
- 14.2 Costs
The additional property rate is calculated by the City annually during the City's budget process. The additional rate is expressed as a Rand-in-the-rand and is calculated by dividing the LMRID budget total with the total municipal valuation of properties in the LMRID.
- 14.3 Calculation of Additional Rate:

Individual contributions for residential and non-residential properties can be calculated as follows:

1. Municipal valuation x R 0.XXXXXX = Annual contribution (VAT excl.) –
Note: R 0.XXXXXX represents the approved additional property rate.
2. Annual contribution (VAT excl.) ÷ 12 = Average monthly contribution (VAT excl.)
3. Average monthly contribution (VAT excl.) x 1.15 = Average monthly contribution (VAT incl.)
e.g. R1,000,000 x R 0.000541* = R541.00 ÷ 12 = R45.08 x 1.15 = R51.85
*R0.000541 represents the approved Residential 20/21 LMRID additional property rate.

14.4 Year-to-year increases

- An annual increase of 5.48% is proposed for Year 1 and an average of 8% thereafter This is in line with inflationary increases in costs especially our main expenditure, being Security Service Providers. Their main cost is salaries, Increases in which are determined sectorally and typically are greater than inflation, being typically 7.5% p.a.
- City Policy governing caps: City has indicated that a increases of > 8% will not be supported.
- Exemptions from the additional rate liability under the Rates Policy
ARPs exempt from Municipal Rates are exempt from the additional rates liability
